

DETECH Tower was completed in 2012 in the centre of the new office district in West Hanoi. It was designed by the renown French architect, Philippe Pierga, whose design is inspired with modern style and unique architecture. The office building is fully fitted out to meet international standards for safety and comfort. This is affirmation that DETECH Tower is suitable as a luxury-class office building in Hanoi.

DETECH Tower has a favourable location situated in the fastest developing area of Hanoi. The building is beautifully located at 8 Ton That Thuyet, My Dinh, Tu Liem, Hanoi which is situated at the cross roads of the Cau Giay district and Tu Liem district. Ton That Thuyet is one of the major thoroughfares in the area providing quick access to a variety of amenities.

The major transportation hub of “My Dinh Station” and the new elevated super-highway to the airport are only 400m and 200m away respectively. The Tower neighbours of some government buildings such as Ministry of Natural Resources and Environment, Ministry of Home Affair, Vietnam Farmers’ Union. In addition, the showrooms of Toyota, Audi, Mercedes situated close to DETECH Tower proves itself to be a superior choice for multinational organizations and recognized businesses.
